Rules:

1. There are 15 words. Some “words” are actually more than one word, e.g., “Ace of Spades” (which is not in the puzzle).
2. When you have found all the hidden words, complete the hidden message below the word search by filling in the unused letters in the puzzle, in the order they appear.
3. Send the following to bluebell and Weasel at moroncookbook@gmail.com:
 - a. List of all 15 words
 - b. The hidden message

You must send BOTH the list AND the message! First person to do so correctly gets a free cookbook! Good luck!
