Dear

You are an essential part of making it possible for us to honor and serve our nation's heroes—and we simply could not fulfill our mission without your support. Thank you for your gift of \$2,500.00 to Fisher House Foundation.*

At Fisher House, we believe that a family's love is good medicine, and recognize the physical and financial challenges faced by many service members, veterans, and their families when traveling for medical care. To date, Fisher House Foundation has saved families over \$400 million in lodging and transportation costs, providing them the opportunity to be part of the healing process. With four new Fisher Houses completed in 2017, and work begun on an additional six, we remain committed to serving those who bravely serve our country.

Through your support of Fisher House, you are helping to provide "a home away from home" for countless loved ones—from World War II veterans to young military families—not just tonight, but for decades to come. To hear stories from Fisher House families, visit our website at www.fisherhouse.org.

We are honored to use the gift that you have entrusted to us to deliver impactful results. Thank you for joining us in our mission.

Sincerely,

David A. Coker
President

"I don't know what I would do without a Fisher House. I either wouldn't be able to come, or we would have to stay in an expensive hotel. Fact is, this old Korean Vet just doesn't have that kind of money."

two-time Purple
Heart recipient
